

# TriCaster 860 Control Surface

Full-featured control for large-scale live shows or mid-sized advanced productions.

Offering responsive, high-capacity hardware control, the TriCaster 860 CS shines as a function-for-function companion to TriCaster 860 and pairs perfectly with TriCaster 400 series and Mini systems running TriCaster Advanced Edition software.

Surface ~ 28.5 x 0.5 x 11.6 in (72.4 x 1.3 x 29.5 cm) Base ~ 27.5 x 2.0 x 10.8 in (69.9 x 5.1 x 27.4 cm)

## Features

Intuitive layout mapped to TriCaster 860 user interface for maximum interaction

Illuminated buttons for heightened visibility of control surface activity

Accommodates the enhanced switching capabilities of TriCaster 460, TriCaster 410 and TriCaster Mini systems with TriCaster Advanced Edition software

Synchronized control of multiple production elements with versatile, multi-select delegate controls

Premium T-Bar and three-axis joystick for precision control of effects

Durable, ergonomic design for confident, comfortable performance

*TriCaster 860 CS is also backwards compatible with TriCaster 855, 850 EXTREME and 850 models.*
